SUMMER CAMP SUMMARY (COACH REVIEW)

Four-Week Freshman Camp Concluded on July 17

- **Large Freshman Class** – We are excited to welcome a strong and enthusiastic group of incoming freshmen.
- **Outstanding Attendance** – More than 20 players consistently arrived for 7:00 a.m. practices, with daily attendance ranging from 90–100% despite vacations and other summer commitments.
- **Team Bonding** – The camaraderie built throughout camp will serve the boys well as they begin high school. We concluded the week with swimming and a team breakfast.
- **A Competitive Group** – The team showed tremendous effort, energy, and potential throughout camp and is expected to be very competitive this season.

Important Reminder: Only players who have completed registration will be eligible to pick up their helmet on the first day of Fall Camp.

Athletic team sports are not fully paid for through General school funds. These programs are fully dependent on financial contributions from our families.

The Boosters contribute \$1,000 or more per player, per season based on our program budget. Our volunteers work hard to raise funds from corporate sponsorships and other fundraisers. That said, **family donations are the most critical part of our annual budget!** The Booster budget includes safety equipment, supplemental coaching, playbook app, coaches and control booth communications systems, player uniforms, team meals, Senior Night, the annual banquet, coach gifts, and more to enhance the players' experiences.

It is critical that every family supports the program by contributing something and signing up to volunteer. Our goal is 100% participation! Thank you for supporting the Uni Boosters Football Program! ***We appreciate your contribution!***
