# GOLF FOR A CAUSE... UNI TROJAN FOOTBALL

Join us on Wednesday, July 23rd at the renowned Strawberry Farms Golf Club for University High School Football Team's "Tee Up Fore Trojans" charity golf tournament presented by The Watson Team. Our second annual event will benefit our boy's football program, and we are so thankful for your participation..

University High School is a Grade 9-12 public high school in South Irvine. Fundraising is a necessity for our football team to thrive, and we are in need of new equipment including shoulder pads, footballs, uniforms, and field training equipment.

Tee up for a beautiful day of golf for a great cause, all while entertaining clients, friends and/or family members. We offer our business minded donors a wide range of brand exposure both at our golf event, and during our fall football season. Whether it's on our team's website, social media or in our football stadium, we will ensure your business stands out.

As a golfer on the 23rd, you can look forward to networking with corporate VIPS, business owners, plus our awesome UNI players, grads, and parents. End the day in the club's Red Barn with cocktails, hors d'oeuvres and face time with new and old friends.
